

# Vuvu Vena Reads

Bookstagrammer, BookTuber, BookToker, Book Blogger & Literature Podcaster

Vuvu Vena Reads is an online destination for any book lover in South Africa and abroad. This brand is a showcase of my love for literature and the impact it has had and is still having on my life.

In a digital world where so many are trying to figure out who they are through mimicry and research, Vuvu Vena Reads seeks to cut through the noise by silently showing its audience that it's okay to be exactly who they are at the very moment of consuming its content.

Started in 2018 [www.vuvuvenareads.com](http://www.vuvuvenareads.com) is growing with the months as the go-to platform for all things bookish. The blog works alongside its YouTube Channel, Bookstagram, Podcast and BookTok counterparts.

In 2020 a podcast called Turning Pages was launched to give book enthusiasts a space to learn about African and South African books and authors at their leisure.
